

SMS Audience Response System | Clickers with a Cell Phone

Quick Start Guide

Getting Started with mClk PowerPoint Plug-In

Revised 10/1/10

Create an mClk Account

1. Go to the mClk web site: www.mclkonline.com
2. Click the “Sign Up for Your Free Account” Button. 
3. Complete the required fields.
4. Enter your cell phone number for a test “student” account.
5. Click **Submit**.

Download the Plug-in for PowerPoint

1. From the mClk web site: www.mclkonline.com
2. Click the **Downloads** link.

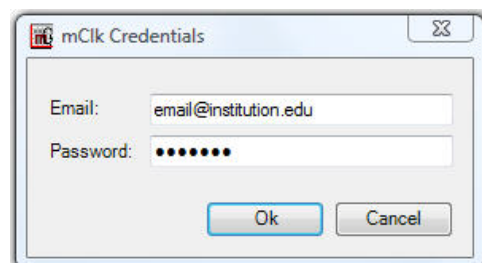

3. Review instructions and click the **Download** button. 
4. Click **Run** and **Accept** as prompted.

Create mClk Questions

Log-in

1. Launch PowerPoint 2007 (the first time may take a few extra minutes).
2. Open an existing PowerPoint presentation or create a new one with the content you want for your class. Save it as PowerPoint 2007 (.pptx)
3. Click the Logon button on the mClk Control Panel. 
4. Type in the email and password you entered on the registration form and click **OK**.

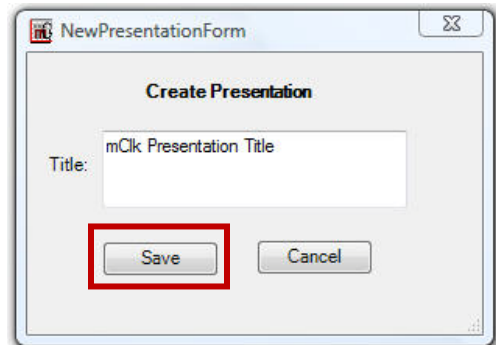

Note: Enter your questions in the order that you will be presenting. Do not jump around inside PowerPoint adding questions.

New mClk Presentation and Questions

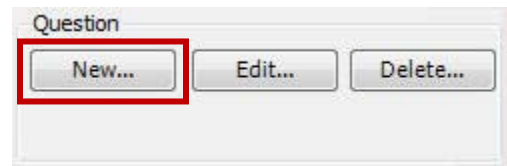

1. In the **mClk Control** panel, click **New** under Presentation.

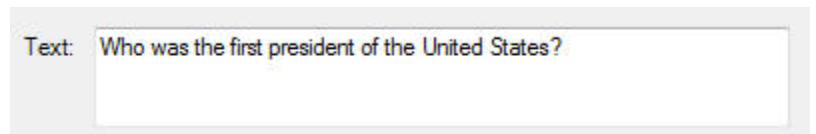

2. Name the presentation (this is a file saved on the mClk web site that is connected to your PowerPoint presentation).
3. Click **Save**.

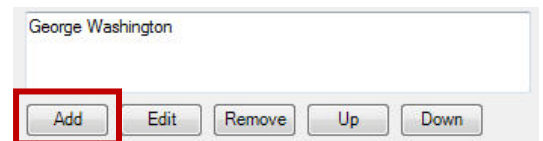

4. In your PowerPoint presentation, click on a slide to position your new mClk Question.
5. Select **New** under Question on the mClk Control Panel.

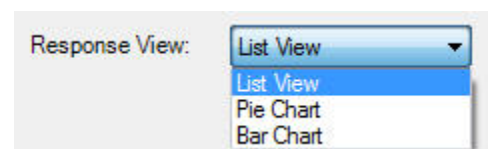

6. Enter the question text.

7. Select the question type: Multiple Choice, True / False, or Short Answer by clicking the corresponding radio button.
8. For Multiple Choice questions, type a response in the response field and click **Add**.

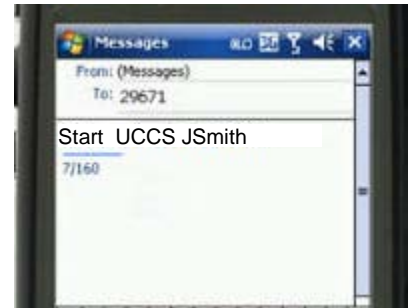

9. Indicate the correct answer.
10. Select the Response View (chart type) from the drop down menu: List View, Pie Chart, Bar Chart.
11. Click **OK**.

Students Self-Enroll

Students use their cell phones for the following:

1. Send a text message to short code **29671** with the following message: Start [keyword] [name]
EXAMPLE: Start UCCS JSmith
2. Student receives a reply indicating he or she is now in the system.

Use in the Classroom

Teacher

1. Ensure that the mClk Plug-in for PowerPoint is downloaded on the computer to be used in the classroom.
2. Ensure that there is a connection to the Internet.
3. Open the PowerPoint presentation that contains the mClk slides.
4. Credential window opens automatically for auto logon.
5. Use the PowerPoint Slide Show icon to launch Slide Show mode.

Students

On first mClk slide:

1. Note the Session ID in the top right-hand corner of the question slide. Send a text message to short code **29671** with the following message:
Join Session ID
EXAMPLE: Join 177.
2. Send a text message to short code **29671** with the question number and your answer.
EXAMPLE: 1 D

Question: 1

Session ID: 177

Normally, the only electrical connection between the atria and the ventricles is the:

- A) SA node
- B) Bundle of His
- C) Interventricular septum
- D) Purkinje fibers

On subsequent mClk slides:

1. Send a text message to short code **29671** with the question number and your answer.
EXAMPLE: 1 D
